Dear Parent/Carer

PSHE and RSHE Policy Consultation Outcomes
Thank you to everyone who took the time to read our Personal, Social, Health and Economic Education (PSHE), including Relationships, Sex and Health Education (RSHE), Policy and share their views through our recent consultation.

At Beech Grove Primary School, we believe that PSHE works best when schools and families work in partnership. We are therefore grateful for the feedback received from parents and carers.

The consultation feedback was overwhelmingly positive. The vast majority of respondents found the policy clear and easy to understand, felt it reflected the values and ethos of Beech Grove Primary School, and expressed confidence that relationships, health, wellbeing and safety would be taught in an age-appropriate way. The vast majority of Parents and carers also felt the policy provided sufficient information about parental involvement and communication.

Many comments highlighted that the policy was comprehensive and clearly explained the school's approach to PSHE, Relationships Education and Health Education. One helpful suggestion arising from the consultation was to create a shorter summary document so that parents and carers could access the key information from the policy at a glance.

What Happens Next?
Following the consultation, the policy has been finalised and approved.

In response to feedback, we have produced a one-page **Summary of our PSHE and RSHE Policy** to sit alongside the full policy. This document can be accessed on the PSHE page of our website by clicking this link: **Summary of our PSHE and RSHE Policy.** The PSHE section of our website also contains a range of additional information, including curriculum overviews, knowledge organisers, policy documents and further guidance for parents and carers.

We remain committed to working in partnership with parents and carers. If you have any questions about our PSHE or RSHE curriculum, please contact the school office to arrange an appointment with me. I would be happy to discuss our approach and answer any questions you may have.

Thank you once again for your support and engagement.

Kind regards,

Claire Joyce
